“ Phyllis was a ray of sunshine. She always tried to make everyone feel welcome. She loved family and family reunions. Her pain and suffering has given birth to joy and life everlasting and she is experiencing the best family reunion with those who have gone on in Christ. While on this earth our hearts are breaking and we are saddened by her loss, we have hope because those in Christ have the blessed assurance we will see her again.

“ *Mrs. Totten was as my 2nd grade at High Lawn Elementary. I will never forget how she led us every day in the Pledge of Allegiance, and singing America the Beautiful. She truly made it my favorite year of elementary school, and is one of my favorite teachers I had in all my years of school. I am very sorry for your loss.*
