“ Jackie and Sisters:

*Carolyn and I send our sincerest sympathy in the loss of your Mother. You are in our thoughts and prayers and will continue to be . Wow what a lovely, caring, smart, and very crafty young lady. She was very Civic minded, to say the least, and a great fund raiser for St. Albans first and foremost, and then branched out to other areas as well. Every time you met Q.D. she made you feel at ease and was always concerned about you first. Very knowledgeable in all areas and every time you talked to her, you learned something new about life and her beloved St. Albans. Carolyn and I were very Blessed to be her friend.*

*Remember she will always be in your Heart, and watching over each and every one of you and we will all meet up together at some time in the future. God Bless each and every one in you family. If any of you need anything in the future, let us know, all you have to do is ask..*

*With Lot's of Love
