I love this picture of us, even though this was taken when our mother had just passed away, Ralph looked so good. And this is how I will remember him. RIP dear brother of ours. We will see each other again. So sorry Pete and I can't be there with you and the family today, he is really sick with this terrible cancer, we are there in spirit, we love you so very much and send out love to Bobbie and the children. I send our love to all the family., Pete and Ginger
