“Randy, or Good Ole Abe as I knew him will be sorely missed. He was always there to call on a birthday, holiday, or just to see how you were doing; even though he was physically ailing over the last several years. He gave of himself to others as an assistant scout master, mentoring an eager boy scout like myself (almost 40 years ago), sharing his outdoors skills, and imparting his artistic genius on the world. God speed my friend to the great woods in the sky.
