“ *Dear Janet,
I wish more than anything I could be there for you the day of his funeral. I will never forget you or my beloved RayRay! I can only look back and treasure the months we spent cooped up together on the second floor, except for when I occasionally took him for a stroll. I am so grateful I was able to meet you, Brian, Kellie, and Ray. You are an amazing family and incredibly strong. I admire you so much. From the bottom of my heart I wish you all the comfort God can give you and your family. I hope to keep in touch.
With all my love, Kayla Brumfield "Mighty Mouse"

“ Janet,
Ray is no longer suffering or in pain! I know this is a great loss to you! He was my buddy from the first time I ever got to take care of him in the hospital! He has left a very special place in each of the MICU staff at St. Mary's! I was of the night shifters that got to spend time with him and got to know him! We all loved him dearly!
Thoughts and prayers!
Fly high my buddy! Spread your wings wide!
With love

“ Janet, Brian, Kelli and Aaron. Sorry to hear about Ray. It comes to that point when death is almost welcome as being in constant pain with no hopes of recovery is heartbreaking but at last peace is found. You were great friends neighbors to mother and daddy. They thought the world of your entire family. You are in my prayers.

“ *Dear Janet, I am in total shock learning of Ray's passing. My sincere sympathy to you and Brian. I do not get out much any more, but you will certainly be in my thoughts and prayers. I did not realize Ray and I were the same age; thought he was much younger. I think often of our years in Winfield and Brian and Matthew being so close. And you and I sharing many good times.*
