Becky, I will miss you so much, this was such an unexpected thing. I keep telling myself that you are with Jack Alouise, and Larry Sr. Your family members, who have left this world. I wish we could have went on one more beach trip, we always had such a blast and would laugh, you always cracked me, when I would stop to visit, before you would even say hello, you would look at me and say, 'Shut up.'. I'm happy that you are no longer in pain or hooked up to the machine that kept you breathing. I'll miss you from here on out. I will check in on your daughters, whose hearts are breaking right now. Rest in peace, Becky, you were so beautiful, not just in appearances, but you have a great heart!!!!!! Love you and will miss you.

Becky, I am so happy you are able to breathe on your own and you are free as a bird flying in the trees. You have left a legacy of two beautiful girls and two beautiful grandsons. You had so many friends and family who loved you. You were so young but God only takes the best. Tell Larry I love him and miss him everyday. You have finished the fight and you are with God now. Enjoy everyday!
