“ I will always be so grateful too you for loving and caring for my mom when she was in the hospital in 1995. You and my sweet mom have been friends since Michelle and I were kids. About 50 years worth. You have always been so special too me. I’m going too miss that infectious laugh and the special name you had for Doc😭. I know God has welcomed you with open arms. I have so many memories. You came with mom when I lived in Charlotte NC and she ended up in the hospital after eating my brownies. I could go on and on. I’m glad that I have you as a guardian Angel now❤️ Even though my heart is breaking but God was ready for you to come home. I love you forever😊
