“ *My deepest sympathies and heartfelt condolences for Richards family and friends. Losing someone we love is truly heartbreaking. I want to take a moment and share something that has given me much personal comfort and hope. It is the scriptural promise at Daniel 12:2 "And many of those asleep in the dust of the earth will wake up, some to everlasting life." Losing a loved one in death is not the end, we have a beautiful hope just ahead. How we long to see them again and be reunited forever.*

“ To the family, I am so sorry for your loss. I lived next door to the Richard and Georgette when they were a very young married couple on Grant Avenue, in St. Albans. They were such a sweet young couple. I was just a little girl [Teresa Eads, the little red-headed girl next door]. I spent many afternoons with Georgette, and her new baby Kimberly. My grade school friend, Steve Sisson, posted about the loss of Richard on Facebook. It jogged my memory of how close I was to Georgette, and what a gracious and beautiful young lady she was. Again, I am so sorry for the loss of Richard. He was such a good man. I remember when Kimberly was born, and all the happiness that you shared. I am sending prayers, and good thoughts to the entire Domico family. Sending my love, Teresa [Eads] French, 818 Stevens Creek Lane, Richmond, TX 77469
