“ *Della,
I am so very sorry to learn of Bobs passing.*

Bob was so kind and helpful to Becky for so many years. She always mentioned you and Bob at least once in every conversation I had with her (and you know we talked at least once a day!) Please know that you are in my thoughts and prayers. Take care.

“ *Della and Marlane you may not remember us from so many years ago when we worked to stop that incinerator in Eleanor. A grass roots effort that was successful. I just saw Bob's obituary and it brought back fond memories of you all. I know he will be greatly missed. I hope both of you are doing well.*
