“ I met Robert in 1985 within the first 2 weeks of dating my husband
Billy Ellis. He was Billy's best friend and brother, that's what that
always said about each other. He's been a member of the family
ever since. My children were young at the time, my daughter under
2 and they do not remember a time that they did not know him.
There are too many memories to list. We love him and will miss him.
May peace be with everyone who loved him. His faith was strong.
