“ *I just found out by seeing the obituary online that Bobby passed away. I was on vacation this past week and was out of town. Bobby and I went back a long way. We played baseball in the Hurricane Babe Ruth league many years ago. Although we were on different teams and attended different schools we were always competing against each other. But that competition generated a special friendship that endured many many years.*

We were also Masonic brothers.

I want to express my extreme sorrow and offer my prayer for his entire family that God will grant you comfort during this very trying time.
