Bob was always a happy and wonderful man that I worked with at the department for many years. He could always make you laugh while trying to get that expedited service request. God Bless Bob and the family he leaves behind.

Bob was the first person to come down and assist us when I became the US Trustee in New Orleans. He was always willing to give a helping hand no matter the task. To his family I can truly say that you should be so proud because Bob was a "public servant" in best ways possible.

Bob made it possible for our Baltimore MD USTrustee office to meet our public duties upon our day of opening, 8/21/87. His hard work and ever-available assistance was essential and invaluable. Bill Baity said it right, and I echo his praise. God bless Bob, and may he bless his family with pride and peace. Ed Goldberg
