“ Gary loved and was there for his neighbors. If we needed anything and he could help, he did. He seemed quiet to me, but we talked on his property about hummingbirds, bluebirds that he made house for and his gorgeous godly wife, Dolly. During a period of intense grief early in life, he, in his own way, knew what to do to help me. And he did. I was and still am thankful for the love and care from Gary McClain. He was a precious soul and I can't wait to see him again with the Lord. Loving you so much during this time especially, Dolly. I have been sick and couldn't be there to pay my respects to you and Robert. So sorry.

Rita and the girls, my Gary and I will be praying for you all ❤️❤️❤️

With much love 🙏

“ Uncle Gary was there for Yoder girls. Pulling out of a ditch, driving 4 yr old to hospital, giving his handkerchief to sick neighbor girl; childhood birthday, Easter and Christmas surprises, kisses on the cheek and church pew partner.

“ Although not ever close to Gary, he, Norma, and Dub were people I have appreciated from high school days onward. I know that all the family will have treasured memories to comfort them through the years to come. I am sorry to be away this week and miss the services. My prayers are with you all; may God fill you with his peace.
