“ I worked with Rob. He was my supervisor for 7 years. He was a kind-hearted person. Never a harsh word from the man. I never ever heard him say a bad word about anyone either. I know this is late, but I only heard about his death. I know he spoke a lot of his family and he was so proud of his children. And cherished his wife. A lot of people are missing him and his friendship and his presence. I hope that the blessing of the lord has helped you get through this most devastating time. My heart aches and goes out to your family.....all of you.

God Bless you Rob.....RIP

“ Growing up together, Rob was the quiet one of the McCracken crew. Always observant and kind, willing to lend an ear to listen or shoulder on which to lean. Feel sure he fought a valiant fight; he is at peace now being a guardian angel. Prayers for all who will miss him greatly; may the memories sustain in this difficult time.

“ I worked with Rob for over 20 years at DRS. He was one of the kindest, gentle natured, big hearted folks I've ever known. Always available to help, never made you feel like you were a problem. We both shared a love for baseball and Jeopardy. I always have a Jeopardy calendar and would email him any sports questions. In all those years, he only missed 1!RIP my sweet friend, and to his family whom he cherished, take comfort in knowing how many folks with disabilities lives he touched and brightened by the dignity with which he treated us. Peace to you all. Cindy Tucker

“ Rob and I had many, many conversations about sports and God and other things but he always made a point to talk about his love for his family in them. He just loved his family so much and almost all of his good memories that we talked about centered around you. What an amazing man! I am so incredible blessed to have known him and I know without a doubt that I am going to see him again some day when I leave this Earth.

“ Rob was such a sweet gentle man. A truly good person. He was always concerned more about others than himself. I am so grateful that Carl, Kyle and I got to visit with him in November. I will cherish that last visit.
