“ *Bob you were a blessing to me and my family. It was a pleasure working with you over the past 6 1/2 years or so. I am glad I have been able to meet your brother Allan that you have spoken so highly about and I can see why. I "we" will miss you my friend but I know you are up there looking down at us with a big smile in no pain hitting a golf ball 300 yards straight down the fairway which I know you weren't doing with me. Blessings and prayers to all the McVey family for your loss.*

“ *What can I say. Although I haven't seen Bobby for years, he is a ggod friend. We ran around for a lot of years. Playing base base ball and hitting the North Charleston pool. Funniest thing I remember is I would spend the night at Bobby's house and his mom would fix him bologna and mayo sandwiches. He would dunk them in red KOOL AIDE and laugh at me for thinking he had flipped his mind. We talked often. He was talking of coming over and going to Galvaston we Pam and I. You can't help but Love him. He will be missed. Our condolences to Allan and his family and to all his friends who will miss him (which are many) .*
