“ *Many years ago we hired Robbie and his crew to do major renovations to our home. The construction process took several months and over time we got to know him very well. Robbie was an excellent, skilled worker and a very good contractor, but most of all he was fair and very easy to work with. He truly wanted us to be happy with our home and years later we still talk about him and what a good job he did. When the job was finally completed he presented us with the new address numbers to place on the front of the house, and we were very moved by that. God bless his family, are prayers are with you.*

“ Memories...Where do I begin... Robbie had a one of a kind sense of humor. He could ALWAYS and I mean ALWAYS make you laugh. He was my brother for many years. I can remember, years ago.. my family was struggling..He and my other brother came to my house with a small paper bag full of Debbie cakes. I told them thank you, and they told me to keep digging. At the bottom of the bag was rolled up bills they threw in there to help us out. Another memory I have is again, my family and I we're struggling a bit. I heard a knock on my door, and when I opened it...There he and my sister stood, my porch full of groceries!! That's the kind of person he was.. if you tried your best and knew you needed a little help, he was there. He LOVED family holidays and cookouts.. You would always see the very biggest of smiles on his face when he and Amy hadn't a house full! I MISS AND LOVE YOU ROBBIE!!!!!! I wish every second that you were here with us❤️
