“ *Chuckie, Mitzi, Darrell, Linda, Sis & families...you all are in my thoughts & prayers. Bob will be missed by so many. He was such a generous person. For sure, no one can ever take his place, there was only one Bob Peters. He never met a stranger, friend or foe (LOL). The pain & suffering is done, he now can fly with the Angels. 🙏💕 Love... his cousin, Elaine Mann Kelley*

“ *I remember the very first time I rode the train after Rod became the engineer. Bob was so thoughtful and sweet to me to make sure I was comfortable and we sat and talked whenever he could so it made the trip go by so much faster. I was so lucky to call him a friend , he will truly be missed, I will especially miss him teasing me about going to Walmart after we got off the train. Prayers to his family in this difficult time.*

“ I worked with Bob as his Assistant Conductor on Amtrak for many years. We had a lot of good times and some bad as well. He was a good Conductor and enjoyed his many years of service on the railroad. We talked often on the phone after his retirement. He was my friend and I will miss him. The best memory I have of Bob is when he called to tell me that he had accepted Christ as his personal Savior. What a joy that Bob finally made that decision! I am so glad that I will see my friend in heaven some day. Our prayers will be with Mitzi and the family during their time of loss.

“ *We will certainly miss Bob.... we can remember him calling anytime he wanted to know information about a new phone, lawnmower, or gadget he was going to purchase. Loved the warmth and inviting personality he showed every time we visited him. Was a privileged to watch him get baptized at the age of 72. We will sure miss him.*
