“ Dear Jean, Patty, Barbie, and family,
I am sad to hear of Bob's passing. I pray God will comfort you all during this time. I am overseas and will not be able to attend the services, but you will be on my mind constantly. I am remembering good times with the Shaver family. I admired and looked up to Bob, and I never met a nicer man. He always had a way to make you feel valued. I remember one time when I was just learning to drive and was with your family for a visit for several days. It was a sad time for all of us because my parents were having difficulties. When we drove homeward toward Davis, Bob wanted me to drive his big fancy car up I-79. I am sure that made everyone else in the car very nervous, but I think Bob just wanted me to have a good day. I will never forget his kindness that day, and it is just a small example of the man I remember. I know he was a man of faith, and I know I will see him again someday soon.
