“ *Wow Rodg(er) I've looked for you the past 3 years only to find this. You were a great guy, smart mouth all the time, and a bit demanding BUT, you were caring, lovable, giving, and overall great guy. It sucks that I didn't get to catch up with u in enough time to tell you goodbye and give u a hug. The last time we talked it turned out bad. Both of our faults for the way it turned out. I hated reading your obituary and thinking about our last time together. I'm sorry Rodg, for walking away, and saying the stuff I did. I'll catch up with on the other side. Much love, you will be missed.*
