“ Dear Donna and the Williams Family,

We are sorry to hear of your loss of Rome. One arrives slowly to a settled memory of loved ones held so dear. We will remember his friendliness during various Williams family gatherings. Part of Rome's legacy will go on in the lives of the students he guided over the years. There are no personal responsibilities quite as influential as those who teach the young. Pray for all those who teach. May the peace of Christ be with you and all those you love.

Sincerely, Robert Jeffries, Laura Stanley and Roger Stanley, Saint Albans, WV

“ *He was my favorite teacher and coach. I had him for 7th grade health class and was my 9th grade football coach. He played a key role in my life and taught me to be a humble person and player. Plus to eat right and lift weights to be a better athlete. And I have followed that advice now for 46 years. I truly thankful an honored to know such a great man. God be with you Coach.*
