“ *I have so many wonderful memories of Uncle Hunk. He was one of my favorite playmates at family reunions and I was his "Buckeye" and "Nuisance." I remember him showing me my first crawdad and making me spit out my first (and only) taste of snuff. No, he didn't give it to me and I think that is the only time I saw him upset. My mom would tell me stories of how Uncle Hunk called almost every week when she was pregnant to check in to make sure she was doing ok. I am blessed to have been able to call him uncle.*
