“ Ron and Marilyn, My thoughts and prayers are with you during this tragic time. I have thought about Sweet Ashley for the past several days remembering when he was first diagnosed and how overwhelmed it all seemed. He loved to have two of everything. I loved my job as I loved Ashley. Remembering !

“ I'm speechless.... I know you wanted to walk Scarlett down the aisle. I know you didn't want to go, I will miss you forever. My best friend... only we know what we had. Won't you stay ... just alittle bit longer.... I promise to never stop talking about all the good times and how much you loved our baby girl.

“ Ashley will forever be my voice of reason, those of us that had the pleasure of knowing him, know that it was a very loud, opinionated but confident one-sided voice of chaotic reason, but at the end of it all he always had my best interest at heart. I will miss him through each tough decision in life and everything in between. Ashley as previously promised I will Love you always and forever.
