“ *I'm posting this on December 20, 2018. When I realized the date was December 20, I immediately thought of Ronnie, my best friend as a kid. I've never forgotten that he was born on December 20, so I decided to see if I could find him on the internet. I was greatly saddened when my first result on the search was this obituary. Since I left West Virginia to go to the Air Force Academy two weeks after we graduated from high school, we lost track of each other. I think the last time I saw him was August of 2005 at my mother's funeral.*

*He was a great friend from the time we were toddlers until we finished high school. My condolences to Patti, Jean, Carol, Brenda, and the rest of his extended family.*
