“ Ron was a very kind and nice person. My husband worked with him during a Christmas season many years at UPS. Not long after, Ron became our UPS man. Our children, Michael and Jenni came to think the world of him and waited each day hoping Ron would show up to deliver to someone in our neighborhood. Ron was always flipping them a quarter or two and even bought things from them when they had school, Cub Scouts or Brownie sales. Then he would turn around when the order came and give it to them. Later on our children and his & Debbie's went to school together. A lot of time has passed since those days and we hadn't seen Ron for a long time. We are blessed that he was on our journey in this life and will always remember him as one of the good guys. He will truly be missed by so many. Our prayers and thoughts are with you Debbie, Missy, Andrea and Jason. God bless you.

“Ronnie was one of the greatest people I have ever known, if not the greatest. He taught me more in a very short period of time than I have learned in any other stage of my life. He was a great Husband, Father, Friend and Man. A man I model myself after every day! To Debbie, Missy, Andrea, Jason and the rest of his long list of friends and family I offer my deepest and most sincere condolences!
