

Samuel Tyler Bennett

April 17, 1996 - August 31, 2015

Samuel Tyler Bennett, 19, of Teays Valley walked into heaven and into the arms of his Papaw Butch on August 31st 2015.

He was preceded in death by his Grandfather and namesake Samuel "Papaw Butch" Halstead.

Tyler is survived by his father, Henry Bennett and Mom Jenny; mother, Jessica Harrison; grandparents, Jack and Patricia Neeley; grandmother, Jennell and husband, Paul Meddings; younger brothers "Little Ricky" and Hunter, and a host of aunts, uncles, cousins from both sides of his family and close friends who will miss him forever.

He was a 2013 graduate of St. Albans High School and attended Teays Valley Church of the Nazarene. He was a member of the Carpenters Union Local 1207 and employed by Cornerstone Interiors.

Tyler could be found any day sitting on the banks of the river fishing with his friends or riding motorcycles and spending time outdoors with his cousins.

Tyler loved life and his family more than anything. The days working side by side with his Dad were the best of his life. He loved working with his dad and his work ethic was beyond compare from the time he was a small child.

Everyone knew that you could depend on Tyler to be there when they needed him. Adults always commented about how he had such wonderful manners

and respect for everyone. He loved to attend Youth Night at Teays Valley Church of the Nazarene with his friends. If you were Tyler's family, you never knew when he might just "drop by" for a visit. Always stepping out with a smile and arms in the air. He surrounded himself every day with those that he loved. He gave love and he was loved ever so dearly. He never walked away without an "I love you."

"It takes a village to raise a child" and a village we are. Tyler spent much of his life on his family's property in Teays Valley with his extended family during his younger years helping on his little Tonka Truck to load and move dirt during construction. Playing with his cousins, swimming, riding bikes and playing outdoors, and riding circles around Mamaw and Papaws house on his dirt bike leaving a path that could be seen from space. He spent days on end with his Papaw Jack working on his 1965 Ford Falcon. Mamaw Pat always nearby to smother him with love. His fathers only child, he was the center of his universe, his best friend and his partner in life. His mothers first born son, he always watched over her, protected and loved her so much. His mature personality made him an amazing big brother to Little Ricky. Jenny came into Tyler's life as a second mother and immediately fell in love with him as her own, he was grateful to have her in his life. His ambition in life was to fix up his 1972 GMC that had belonged to his great-grandfather and was generously given to him by Mamaw Janelle. Henry and Jenny will continue in that role and see the project through. Tyler's entire extended family was such a huge part of his life. Tyler was everyone's boy. We all love him beyond measure.

The grief we are experiencing is immeasurable. Our lives will never be the same without Tyler. As we move forward into the next few days we don't know how we will go on without him but we will go on. We will learn first to crawl, then we will walk, then we will climb that mountain. When there are days we just feel as though we can go no further we will carry each other until we reach that peak and will be reunited with Tyler for eternity.

Forever making us proud, Tyler made the choice many years ago to be a registered organ donor. In our suffering we find comfort knowing that he loved life enough to help others when his time with us was over.

Funeral service will be held at 7:00 pm Friday, September 4, 2015 at Chapman Funeral Home, Hurricane with Rev. Charles V. Williams and Rev. Bethany Carr officiating. “ To the Parents & family of Samuel Tyler Bennett: I just want you to know that my heart goes out to all of you at this sad time in your lives. I did not know Tyler but my Grandson did. We also lost his father before my Grandson was born, 19years ago. I know it was the most devastating words I had ever and probably will ever hear during my life time that we lost our child. He had just turned 21 a month before and never got to see his precious son. Again, I DO know the pain you are going through and it will never go away. I know they say that time heals, { no it does not } but I know you will not understand it right now but the pain does ease as the years go by but you will ALWAYS have that hole in your hearts. GOD BLESS ALL of you as you try to go on with out your Son. You are in my prayers. Kathy Cobb

“ My best memory of tyler was when him and my daughter makayla would come home after school and i would have dinner already cooked because i knew tyler had to be at work in 30 minutes and he ate dinner and went off to work. He also loved to drive my car and truck. So one night i let him and we went about 120 mph in my mustang down route 60. He always told me he didnt like cake but i had him to try my strawberry short cakes , and he loved it.
