“ *Sorry I didn't get to see your mother for a long time. I had lost track of her. Thought about her just last week. Couldn't find phone numbers for her, Leslie or Susan. Wasn't sure where Bill was either. Sandy & I were partners in crime @ work @ Whg Hospital & with Mary Kay. We had some strange but good times. Susan, do you remember the vacation @ Lakeview? That was a blast. Someday we need to get together (all of us) & talk about the good times. I'm very new @ this Internet thing. I just started it last week. Find me under Deborah Knight. My deepest sympathy & prayers to all of you.*

“ I was so sad to read about your Mom in the paper this morning. I have so many great memories of years ago before neither of us was married and even after we were married when our kids were first born. Unfortunately, over the years we got busy with our own lives and kind of lost touch, but still contacted each other at Christmas. I hadn't heard from her the last couple of years and feared her condition had worsened. Your Mom was a wonderful woman.....so kind and so much fun. I will always hold those memories close to my heart. My thoughts and prayers are with you all; I know she will be greatly missed.

“ Susan, I am so sad to hear about the loss of your mom. I vividly recall her patience and kindness with a couple of giggling girls during a Barry Manilow sleepover. To this day, I still sprinkle Ruffles on my tuna casserole. She was such a beautiful lady who loved you girls so very much. Please accept my sincere and heartfelt condolences. Know that you are in my prayers.
