“ *My memory of Sandy is not of any one specific event or conversation but of the years of conversations she and I had each time we saw one another at an event that her granddaughter and my daughter were doing together. Each time, Sandy always made sure she said hello or waved to me and my family. She and I would talk about our girls and what they were doing. She was always so sweet and my daughter always felt very special when she was with her ! We will miss her very much!*

“ *I will always remember how you were my replacement mother while my mom was in Kuwait. It was such a hard time for me being pregnant and my mom gone. You were so wonderful to me and the emotion support you gave me will never be forgotten. Now 17 years later you are joining my mother in heaven to watch over all of us. My thoughts and prayers go out to your family. Rest in peace Sandy

Sandy was a pillar in the St. Andrew Chancel Choir because of her personality. Her laughter was infectious and when the altos got out of hand, she was always at the center of the fun. We will miss her greatly. Our prayers are with her family at this time.
