“ Sandra was such a quiet loving person. I fondly remember spending summers at the apartment and baby setting the kids. I was there two summers in a row. We had so much fun together. I was very sad when I lost touch with her. I did get to visit with her at Uncle Jerry Lee funeral. Sending hugs to your children. Celeste

“ I just want to say that I worked with Sandy in Dr. Chapman's office and she was the most caring, kind and compassionate person that I've worked with thus far. She shared her gift of laughter and her painfully honest and good natured outlook on life and others. She inspired me to do my best and be as honest with people as I can be. My heartfelt sympathy goes out to her entire family. She will be remembered with gratitude and love.
