“ *Sue was my second Mom growing up. Sometimes I spent more time at their house then I did at my own. She was always driving us to girl scout outings, the skating rink, school, school activities, and oh - how can I ever forget our paper route for years! I don't know how she put up with me always tagging along. She was the best cook too! I still remember when we would go to church and come back to the house with that great smell of slow cooking roast. I have nothing but great memories of Sue! I'm so blessed that she was a big part of my childhood memories. You will be missed!!!!*

“ There is huge hole in our hearts and Sue will be missed more than words can ever express. She was always positive and was like a grandmother to our boys. She can never be replaced and we are all blessed to have had her in our lives.
