

Sara "Sally" Evans

April 20, 1931 - October 4, 2016

Sara (Sally) Jane Evans, born April 20, 1931, of St. Albans, WV went to meet her Heavenly Father on October 4, 2016. She is having a grand reunion with her husband, Melvin Evans; her Mother, Zella Aldridge; three sisters, Frieda Triplett, Betty Lovejoy and Jean Robbins; her "Mom and Pop" Deel; and her brother-in-law, Leon Evans, along with many other family and friends.

Being the Matriarch of her family, she will be greatly missed by many, but mostly by her "babies": Daughters, Beverly Evans Hart (Joe) and Karen Evans Tate (Bob); her seven beautiful grandchildren: Joey Adkins, Johnny Adkins, Adam Pingley, Rachel White, Rebecca Clark (Joey), Melinda Adkins and Katherine Tate; and her nine great-grandchildren: Austin Frye, Kailynn Clark, Robert Adkins, Daniel White, Isaiah Adams, Sara Clark, Tommy Clark, Annalee White and Kali Werner. She was greatly loved by her brothers-in law and sisters-in-law: Uel (Doris) Evans, David (Helen) Evans, Joyce Evans, RuthAnn McBride and Willie (Frances) Evans.

Sally was a natural, self-taught musician whose music and voice touched many lives. She shared her love of music by playing piano or guitar regularly at church while singing her favorite hymns and songs of praise. From a very early age, she was harmonizing with her mother and sisters. Her love of harmony grew even more when she joined Sweet Adelines International in 1961 and lasted the rest of her life. Her musical legacy continues through her

children, grandchildren and great-grandchildren.

Other talents and hobbies included poetry, needlework, bowling, reading and especially her amazing green thumb. African Violets were her specialty! Sally spent countless hours around her kitchen table teaching her grandchildren and great-grandchildren how to play cards and board games. Her laughter was undeniably infectious and her joyful spirit always filled a room.

Sally was a proud, devout Christian who used her love of Christ to mentor her family, friends and community. She never missed an opportunity to witness to others. Even through her illness, she was able to touch lives of those who helped care for her (Cabell Healthcare Center). She has left a beautiful legacy of love, patience, loyalty, friendship and forgiveness.

Sally always put her family first. Here is a message she wanted to leave for all those she loved:

“If I died today, I would want you to know that I have had a blessed life. I wish you all well and I love everybody. I hope to meet you in Heaven or, better yet, maybe I’ll meet you in The Rapture! God Bless you all!! I write this with all the love in my heart for each and every one in my family, living or dead. I LOVE YOU!”

“ Dear Bev Karen & Families: What a blessing to have experienced Sally in this life! She always had an infectious smile, laugh & sense of humor. I'll always remember hearing her sing with the Sweet Adelines @ Anne Bailey Elementary. What a great pattern for people everywhere as a witness for our Lord. Heaven gained a beautiful angel. May all of you find great comfort that while she's absent from this place, she is waiting for the rest of us, in a much better place, & we'll have eternity with our loved ones. Love to all & prayers lifted.

“ I've known Miss Sally since I was little. We went to Washington DC when I was in the 6th grade. She went to help out. I got so sick and she sit with me. Always the Mother figure. Love You Sally. See you in heaven soon.

“ I remember Sara when I was a little girl and Mrs. Evans babysat me when my Mom would have a doctors appointment or had to be somewhere she couldn't take me. I grew up around the boys and found in later years my cousin Christine Ollis's daughter Diane had made connection with her Myers side of her family. Of all the daughter-in-laws I remember Joyce the most and later in years attended church with Joyce ad Leon. I would go to church with Mr. and Mrs. Evans when I was very young there in Meadow Brook. My thoughts and prayers are with this family as they say good bye to a lovely lady.

“ From the day I met this crazy lady, I've loved her. the megawatt smile, the voice, the love she shared with just about everyone, the songs and hymns she sang, the ornery twinkle in her eyes, the hugs, and oh, just being herself. Sally, you truly fought a brave and courageous battle,,and now, you get your reward, I can just hear you telling Mama Aldridge that you've arrived, see you hugging Melvin, telling Leon how brave Joyce is being, hear you singing your way to sit at Jesus' feet and then seeing you weep tears of joy for being there with Him, the One you always moved and shared with others! Sally, Alan and I loved you dearly--your were a good friend. Rest, now, your battles have ended!

“ Sally was a role model for all of us who grew up in the neighborhood. I remember attending vacation Bible school in her back yard several summers when I was young. She always had a smile on her face and was kind to everyone. She will be missed.

My condolences to the family.

“ Karen, I remember your mom and dad always treated me as one of their own. When I came over to play, taking me on a great Florida vacation to New Smyrna Beach and even staying at my 14th birthday party to help. your mom was generous with her love and kindness. What a loving and selfless mother she was! Alzheimer's is a cruel disease! I rejoice in knowing she's living a new healed life in heaven with her beloved Melvin. Her reward has already begun. God bless you and your family in this time of grief. 🙏
