“ I met Sally through some very early FOOTMAD activities and have enjoyed her friendship through the many years that have gone by so quickly. She played dulcimer and autoharp with Ray Epler back in the day and helped lay the groundwork for this music in our community. From there she continued to teach and inspire many, many musicians with her wonderful personality and dulcimer playing. She was such a good and kind person with only good to say about others. I feel very fortunate to have known Sally and am missing her already.

“ I'll miss Sally. I really enjoyed playing with her and all the other Presby Pickers when I was a member of the group back in the 90's. I really enjoyed listening to her play the hammered dulcimer and bowed psaltry. She was music.

“ I was privileged to have Sally as my good friend and neighbor for 40 years. She always had a warm, welcoming smile when I visited her or as we chatted on her front porch.  
She will be remembered as a gracious lady who was gifted with many talents. I will love you forever dear, sweet Sally.
