“ Sarah always made me smile. She had such a fun way of looking at life. I admire the way she always saw the best in everyone. I am so thankful she counted me as one of her friends. Sarah, I will miss our yearly birthday calls and Christmas cards. I look forward to when our lives cross paths again. Save a spot for me!

“ Sarah was in my life for over 43 years - my much loved sister-in-law. As others have said, free-spirit, fun-loving, sweet and she will be missed. One of my best memories of Sarah was watching her dance with abandon at our niece Anna's wedding!

“ *I always think of Sarah (who was Denise to me) with a smile. We were both much younger when I first met her and she - to me - was a fun free spirit who did whatever she wanted to --- I admired her spirit so much! I'm sad that the world has lost her but I look forward to seeing her again one day when maybe I can be a free spirit too! My love and prayers are with all her family.*
