“ Seth, I never had the honor of meeting you in person but the few times I got to FaceTime you was more then I needed to feel your presence. I love you and your family more then you know. I promise to be there for your mom, sisters, aunt, Mamaw, cousins, and the rest of the family. You were to young to go and I wish it didn't have to be this way. But God has bigger plans then we can see. You are where you're needed. I love you Seth and I hope your watching over the people who love and miss you dearly. Seth please help me get Kayla through this hardship as she misses you so so much. You mean the world to her and I know you were a brother to her. We love you Seth. Rest easy bub. Fly high. Forever 21. I love you Seth.

“ Seth you always were a very fine young man! It just seems like yesterday that you were playing centerfield for Harless printing in the St. Albans little league. Rest In Peace and comfort to your family.
