“ *Shae was literally the only person that was ever able 2 make me smile even when I wasn't trying/wanting to. He was the kindest soul and was always offering 2 help my 63 yr old dad work on his car but never wanted anything in return.. the mold was most definitely broken when he was made and it breaks mine and my families hearts that he's gone. Our deepest sympathies 2 his parents and brand new babygirl 💔*
