“*Shelia hired me to work 3S in 1996. I remember how nervous I was going into that interview. After hearing her voice and seeing that sweet smile I felt like I was just sitting chatting with a friend I had known for years. I had no idea at the time Shelia would become such a dear friend. Jeff, every time she said your name her smile and eyes would sparkle. God blessed you both with that sweet boy Jacob. She loved you both very much. She is watching over you both, rejoicing with you as Jacob heals from his lung transplant. I have absolutely no bad memories of this woman. Only that big smile and sparkle in her eyes no matter how bad a day she was having. Fly high Shelia. You will be missed. Until we meet again, I love you!!!*

“*Sheila embodied everything that a Nurse should be: Kindness, patience, generosity, intelligence and humor. Hands down, one of the most decent individuals I've ever known. Because of the example that she set and the lessons that she taught each and every one of us about what it truly means to be Nurse - even in her absence she will continue to touch lives and continue to make a difference. Sending prayers for peace and comfort to her family and friends. Sharon Gillespie, RN*

“ *She was the most compassionate and caring person. I truly am blessed to have known her. She was such a wonderful nurse. She taught me so very much over the years. I am so sorry to hear of her passing. My heart and prayers go out to her family. I know she touched so many lives over the years both patients and staff. I have no doubt she is in Heaven watching over you both...Prayers and hugs*

“ I don't remember the exact year but around the late 1980's, I hand picked Shelia to be my assistant Nurse Manager. She was organized, kind, compassionate, and was always helping other nurses. She was so amazing that she became the Nurse manager of that 58 bed med-surg unit when I transferred to Supervision. I don't know how she did it but then that's Shelia. She was not afraid to be a Pt advocate all while trying to manage a large number of staff members, administrative duties, & physicians. Her life was almost complete with Jeff as her husband. What her hearts desire was to have Jeff a child. After many prayers and God's faithfulness, she and Jeff had a beautiful baby boy named Jacob. I remember praying at the alter at Church one Wednesday evening for Shelia to conceive. In my Spirit as I later shared with her, the Lord said , it shall be so. My how quickly the years have gone by. In life we are not going to escape heartache and loss. Jeff & Shelia had more than their fair share but NEVER LOST FAITH IN GOD. The story of their lives is incredible. This family oozed the Love of Christ. For you Jeff, Shelia gave you Jacob & God gave Jacob new Lungs after Shelia received her healing in Heaven. There is where the long awaited miracle for Jacob came. I can't think of one negative trait that Shelia possessed. Just Love, Faith, Family & Greatest RN ever! I loved her bc it was impossible not to. Jeff, Jacob, family, friends & Thomas Hospital was impacted greatly by the beautiful life of Shelia Ann Roberts. Rest In Peace my friend until we meet again. We are all right behind you girlfriend! Jacob & Jeff have had the best. Keep watching over them from Heaven.
