“ *Since 2nd grade Sid was one of my best friends. I'll never forget 4th grade at the water company dance. He asked me to dance with him to the Jessica Simpson song 'Take my Breath Away'. He was the first person I ever slow danced with. His memories will always be dear to me, the way we always raced around the schools track, the times he took up for me and all the arguments we had over stupid stuff like who knew more Tupac songs lol. I will never forget Sid. He will always be in my heart and I will always miss him. I love you Sid. Thank you for being one of the best men I've ever met. ❤️*

“ As I look back I now realize all the things we did and what happened as I grew up around the Washington Family, I truly shared memories that I'll never forget with Sid and the family. I'll never forget when we would play hide and go seek, and he would make up fun games that us younger kids could play too, he never left us out, and anytime something happened and we needed him he was right there, he was a true protector for his family, and a great friend. I'm thankful for the times spent, and all the memories I now have to hold on to. I know the Washington Family is Strong, always have, always will. I love you guys! Make him proud💚

“ *It is heartbreaking to think of the world without Sidney in it. He was so young and had the whole world in front of him. He will be missed. It was a joy for me to teach the Washington kids at Alban Elementary! I will keep all of you close in thought and prayer as you face the days, weeks, and years ahead. God bless you!*
