“ *I have so many fond memories of Sondra. I first met her in nursing school and then we worked together. Sondra and Angie would become my dearest friends. She always had words of wisdom and encouragement. I am going to miss you so much. Angie, Haley, and Tyler she will always be watching over you all.*

“ She has been in my life longer than not,.....so many memories, so many stories? I am speechless and find the words difficult to speak.....I can barely remember my life before Sondra, I was 20 when we became friends...I am blessed to have had a life with her as I am now blessed to have such a special guardian angel to watch over me! I am so sorry Angie for the pain and suffering you are now enduring and the loss of a grandmother to your babies! You all are very blessed to have had such a wonderful mom/grandmother as I know how blessed I am to call her my "Best Friend!" Love and prayers to you and your family
