“ Sorry to hear of Sonjas' passing . I have some great memories from the Coolville days , but the one that stands out most is the time she let me ride her horse out on their farm and it would not stop running and she thought that was so funny ! My love and prayers for all .

“ *There are too many memories to list, but one that most dont know is when we were fishing in the Kanhawa behind the house in Frazers Bottom. We took the boat across the river and the motor would start and we lost an oar . We laughed so hard my long arms and you hanging over the side nearly falling in just to touch the water! We had to hand paddle back across the river to find the oar laying on the shore! I am not sure how we got back to the Dock ! Lol! Thank you for being my second Mom when I needed you the most !*
