“ *We hadn't known Stanley very long or very well, but he was always a true gentleman with a kind spirit and a friendly face. Regrets that he had to endure so much sickness and health related challenges. But Stanley always seemed patient and kept a positive attitude. Our thought and prayers go out too Carolyn and Nancy.

“ *Stanley has been our neighbor and friend for the past 10 years. We were blessed to have purchased his piece of the Christy Property where at the time he still tended to his garden. He will be missed here, but God has surely welcomed him with arms wide open :)*

“ Stanley attended church with us for a while and he was such a blessing. You could see the love and compassion in his eyes. He was always a bright spot in our day. “ Stanley was our good high school friend. He was such a good humble person who never spoke a bad word about anybody. We have enjoyed renewing our acquaintance in the last few months and we were so happy to see Stanley at our 60th high school reunion this past summer. Rest in peace friend. Mike and Jackie Hunter
