“ *My fondest memories of Stanley are of the years he spent working at Nortons. My mother was especially fond of Stanley: she only wanted to take her orders over the phone - he didn't screw them up - and, she liked it when he delivered the groceries to the house. He was really a great person. I feel privileged to have known him and could count him as one of my friends.*

“ Sorry to hear Stanley has passed from this life, but I know he is a happy man walkint all over heaven. I admired Standley and his wife and Son for many years. My heart goes out to Anita and their Son. I know they will miss him every day. Look to God for his comfort. I know you both understand God's loving care. Love You Kenneth Kidd

“ Anita, I was so sorry to hear of Stanley's passing. The few times I saw him he had a smile on his face and seemed like the happiest person in the world. I know he is in Heaven now and probably playing the piano for a heavenly choir. I miss you and love you dear friend.
