“ It's so difficult to put into words how much Tammy was loved by all who had the privilege of knowing her. From her beautiful face, infectious laugh, her spunkiness and devotions to her family, friends & job, Tammy gave her all to anything she went to do.

The Dunn girls and I grew up just doors away from each other, I was 13 when Tammy was born and there was an instant love, she was my baby, I carried her around on my hip and spent so many hours at their home. I have so many wonderful memories of growing up with the girls. The bond she and her sisters Sandy & Carol had as kids, carried on into their adulthood and until Tammy took her last breath the bond and love they shared was strong. Tammy grew into a beautiful young woman, she became a mother and loved her 4 children with all her heart she was their biggest cheerleader and was so proud of them. She followed her heart and became a nurse and did they job well.

Tammy you will be missed and loved beyond measure. I love you baby girl! Until we meet again! RIP
