“ *The sweetest little girl I had the pleasure of knowing as a child in middle and high school. And then again as a beautiful young lady. I know you are an angel with those beautiful curls blowing in the wind. RIP my dear and prayers for all your family and friends. You will be deeply missed by all that walked in your path.*

“ Tammy was one of my best friends in school. We were in a horrible car wreck when we were freshmen at Poca high...unfortunately we lost touch after that, but I have thought about her many many times over the years...and I'm heartbroken that I won't get a chance to see her again😭 My heart breaks for her family! My prayers and love to them all!!! Joaleen Blankenship

“ 23 years ago I met a beautiful girl that would change my life forever. 18 years of marriage and 3 beautiful children later, I would still get butterflies just seeing her. She is the love of my life and missed greatly every day. Happy birthday and happy New year to my princess. You are gone from me way too soon. I love you Baby! "242 times the stars in the sky"
