“ *Tammy's mom and mine were the best of friends when they were growing up. After they both were married with families of their own they would occasionally take time out to get their families together. I just lived it when they got together. They talked and laughed about old times and the ornery stuff they did together. I love Tammy, her mommy and daddy, and her rotten brothers. So to her entire family, I pray for God's comfort and peace during this time. I love you boys, Ricky, Randy, and Rodney!!!*

“ *I'm a neighbor and friend. I spent last New Years Eve with Tammy and our friends. Tammy was always helping others. She'd do anything she could. She had some heart problems. She urged me to tell the dr about some of the same symptoms I was having. It's partly because of her that I'm wearing a heart monitor now. She talked often about how much she loved her family, especially her kids. She spoke about how much she loved gospel music, too. The world was a better place for having her in it. I'm thankful to have known her. My deepest sympathies to all her family and friends. - Missy*

“ May God wrap his arms around Jewel and Jacob and your sweet Daddy! I know you're watching over them and If they ever need anything I would be right there for them! I have thought of our laughs at the baseball field and in the concession stand and our trip to the Beach ... We worked hard, played hard and laughed hard. I love you my friend...and will see you again one day! Your smile and friendship will always be a wonderful memory!
