“ *I met Tamara at Health Right many years ago, we had lots of common interest in gardening and poison ivy, I knew that Tamara had left Health Right and sorry to see that she passed.*

I am sure she is in a better place and just wanted to share condolences to the family and she is our prayers and thoughts.

“ Tammy was one of the most compassionate people I knew. Her concern for others who might be less fortunate, and for animals was exemplary. She had a great sense of humor and a ready smile that could light up your day. I was so saddened to hear this news. Well done, thou good and faithful servant.
