“ *Bonnie & Family,
Ronnie & I are so sorry & wish we had been able to attend & help out any anyway. But don't want to be negative because after everything Tom & you have gone through the last several years, we don't remember anyone as strong, courageous, committed, helpful, & on a one track mind! Tom's love for family was so evident in his face, smile & light of his eyes that just lit up the room. Even as we will miss Tom, this is what we will keep in our hearts with thoughts of our FREIND!*
