“ I can't roll grape leaves without remembering Pyro. Whenever I had a planned trip to St. Albans, I knew I had to allow extra time to prepare the grape leaves. I have never seen anyone enjoy them more than Pyro. He made the "chore" a pleasure for me.

Rest in peace.

“ "I never roll "grape leaves" without thinking of Pyro. I don't know of anyone who enjoyed eating them more. Every time I planned a trip to St. Albans, I knew I had to allow time to make Pyro grape leaves.

May you rest in peace."

“ It wasn't supposed to happen like this.
He's my big brother
There are no phone calls in heaven - no visitation days
He could change the mood of a room just by walking in
Make a stranger a friend
My heart is a storm of emotions and pain
I'm reminded that you will never feel pain or sorrow again
You've touched so many and left so much of yourself behind
The world shines brighter one more day because of you
