“ *Melina, Patrick and Tatia; I have too many great memories of Tom, many of them either beginning or ending with his amazing smile. Tom truly cherished his wife and children and I hate that you have to suffer his loss. Since only time can heal I hope it passes quickly to afford you the solace that you need to get through this. I know you're hurting but I love you and you are always in my thoughts.*

“ *Milena, Tatia, and Patrick,*

We are deeply saddened by Uncle Tom's passing. His gentle nature and easy smile are what we remember most about our childhood visits to WVA. He had a way of making every one of us kids feel special and loved. Tom gave us his love, humored us with his stories, and was always available for a warm hug when needed. Our thoughts and prayers are with you.

Deepest sympathies,

Greg, Daria, and Cammy

“ I am so saddened to hear of Uncle Tom's passing, but know he is in a better place. Though I hadn't seen him in several years, I remember him very fondly. He was always very kind to me and made me and my siblings laugh. I will be thinking of his family and friends, and praying for their strength during this difficult time. Sending my deepest sympathies and prayers to his loved ones.

With Sympathy,

“ We shared many seasons of our life with Tom. We have happy memories of our times with him. He was a man who dearly loved his family and friends.... A good father and husband. When we recall Tom, we will remember his cheerful, teasing personality, his ready smile, and his childlike spirit. We are so tremendously saddened that his time on Earth has ended, but lifted by knowing his time in Heaven is just beginning.... He has many loving people waiting there to greet him. We pray that God will give all his family the strength and courage to endure their heartache and grief for the awful loss of their precious and beloved Thomas Robert Moon. Much love and sympathy from Firelei Parks, (sister-in-law) Dan Parks, Joshua, Nathan, and Tess
