“ Tammy, Your family has always been a very loving and caring family to each other. I know you will miss your brother more than anyone can say. You two had a loving bond that only brother and sister can have, You was not only family but he was one of your best friends. He may not be with you in body anymore but he will always be in your heart and you will carry him so close to your heart. I will not say I know how you feel because there is no way I could know. Just know that my prayers are with you and your mom and your dad. Also prayer for his wife and son. I know your faith in God will get you through the hard times, just rely on the Lord to give you what you need. Love you all, Wanda Means
