“ Timmy was a legend that's for sure, it seems I can remember him since I was about 12. He use to always come to my stepdads bar Paul's on the weekends and then hit the other local bars where he would invite me to go with him and he always kept me safe and I will always be appreciative for that. You will be missed by many. I will keep his family in my thoughts and prayers

“ Timmy was always a good friend, my husband Benny introduced me to Timmy when we were first married. Anytime we need his help, he was there grinning and asking what needed done. After Benny died I lost contact with Timmy and others, but I'll always remember Timmys grin and friendship. I pray he is in the arms of God. He and Benny are together again.
