Carolyn Abner - December 06, 2015 at 08:38 PM

“ *I remember when I was 17 that would be about 20 years ago; when he got so angry about getting me in trouble when he kissed me while I was half asleep, that he sent his arm through a window. And even after all was said and done he tried to protect my ahner by making up a story about how he got in a fight and cut his arm. "The Artist Prince" My Cuz You Will Always Live On In My Heart Tracey*
